

**NOTICE OF FILING OF AMENDED TARIFFS FOR AN INCREASE IN THE FUEL, LOST AND UNACCOUNTED-FOR GAS REIMBURSEMENT QUANTITY PERCENTAGE  
of Rocky Mountain Natural Gas LLC  
d/b/a Black Hills Energy**

You are hereby notified that Rocky Mountain Natural Gas LLC d/b/a Black Hills Energy (“RMNG” or “Company”), 7060 Alegre Street, Fountain, Colorado 80817, has filed with the Public Utilities Commission of the State of Colorado (“Commission”), in accordance with the Public Utilities Law, an advice letter with revised tariff sheets to increase the Fuel, Lost and Unaccounted For-Gas (“FL&U”) Reimbursement Quantity percentage contained in the Company’s Colorado P.U.C. No. 4 Tariffs, to become effective on November 1, 2023. The change will affect all Shippers if the Commission allows the tariff to become effective.

The purpose of this filing, if granted by the Commission, is to increase RMNG’s FL&U Reimbursement Quantity percentage. The current rate is 1.59% and the new proposed rate is 1.96%. The FL&U is reflected in the volume nominations by Shippers onto RMNG’s system; and therefore, the proposed tariff amendment will have no effect on the Company’s revenues. A comparison of the current and proposed percentages is below:

<b>FTS and ITS Rate Schedules</b>	<b>Current</b>	<b>Proposed</b>
FL&U Reimbursement Quantity %	1.59%	1.96%

Copies of the proposed and present tariffs as filed with the Commission are available for inspection at the public offices of RMNG at 7060 Alegre Street, Fountain, Colorado 80817; or, at the office of the Commission at 1560 Broadway, Suite 250, Denver, Colorado 80202. Customers with questions concerning the proposed or present tariffs may call the Commission at (303) 894-2000; or may contact RMNG by telephone at 888-890-555. In addition, the Company’s proposed and present tariffs may be viewed at [www.blackhillsenergy.com](http://www.blackhillsenergy.com) and the applicable Colorado statutes and Commission rules may be viewed at <https://puc.colorado.gov>.

Any person may file written comments or objections concerning the filing, or may request written notice of any hearing, with the Commission at 1560 Broadway, Suite 250, Denver, Colorado, 80202 or <https://puc.colorado.gov/puccomments>. Requests for written notices can also be made to the Commission by telephone at (303) 894-2000 or, alternatively, by contacting the External Affairs section of the Commission at its local number (303) 894-2070 or toll-free number (800) 456-0858. The Commission will consider all written comments and objections submitted prior to the evidentiary hearing on the application. Written objections (protests) must be filed at least ten (10) days before the proposed effective date of November 1, 2023. Filing a written objection (protest) by itself will not allow you to participate as a party in any proceeding established in these matters. If you wish to participate as a party in this matter, you must file written intervention documents under Commission Rule 723-1-1401, 4 *Code of Colorado Regulations* 723-1.

The rates, rules, and regulations ultimately authorized by the Commission may or may not be the same as those proposed and may include rates higher or lower than those proposed or currently in effect.

The Commission may suspend the proposed tariffs, rates, rules, or regulations. The Commission may hold a hearing to determine which rates, rules, and regulations will be authorized. If a hearing is held, any member of the public may attend the hearing and may make a statement under oath about the proposed tariffs, whether he or she has filed an objection or intervention. If the filing is uncontested or unopposed, the Commission may determine the matter without a hearing and without further notice.
